

Moscow Summer School “Global Challenges 2017”

This year during August 2017, Russian Foreign Ministry Diplomatic Academy offers a three week Summer School 2017 “Global Challenges” where students from all around the world and Russia will meet to take part in an intensive multicultural experience, delve into challenging political topics and discover the unforgettable cultural and recreational opportunities that Russia and its capital city have to offer. The Summer School Moscow at the Russian Foreign Ministry Diplomatic Academy offers students a great opportunity to expand and develop skills in different fields of International Relations and World Politics. It provides a multi-disciplinary and inclusive approach to the study of complex political issues and challenges that are facing the world.

The program is challenging, stimulating and of high academic and professional value. **The courses are taught by professors of highly regarded faculties of the Academy: “International Relations”, “International Economics” and “World Economics”, supported by meetings with Russian and foreign prominent diplomats, public men, policy makers and the global international community.**

New! *The Diplomatic academy together with the EU Delegation in Moscow will hold an international conference interwoven into the educational process during the next 2017 year School. The participants of the school will be able to get not only diplomas of the school with European credits but also the international conference participation certificates. Prominent political experts from Russia and Europe will take part in this activity..*

In addition to the excellent educational opportunities, the school offers a chance to discover Russian culture, the city of Moscow and the surrounding countryside as well as to grasp one of the most widely spoken languages in the world, Russian.

Russian Language classes are available for students at all levels.

Upon successful completion, the program is worth 6 ECTS credits which may be recognized as part of your ongoing studies.

Dates: Arrival 6 August – Departure 26 August 2017
